### Cover Picture:

*Although he gave up a bank holiday week-end to take part in an important UKMF exercise, this soldier of 6/7 Queen's doesn't look too unhappy about it and he is typical of the cheerfulness with which the whole of the TA looks ahead in 1981.*

### NOTE TO CONTRIBUTORS

Contributors sending in material for publication are asked to have it typed, double spaced and on one side of the paper only. Reports of current events should be submitted as soon after the event as possible. Pictures must (repeat must) be sharp, black and white. We cannot use coloured prints. The TA Magazine does not necessarily assume responsibility for the statements or views of its contributors.
